

ELEGANT | SUPREME GROUP

With over **30 years of experience** within the sector, Javier Torá has transformed challenges into opportunities, consolidating all his knowledge in **Elegant Supreme Group**, founded in 2013 to serve the global fashion market.

Our production units are strategically located in **Spain, China, Myanmar, Vietnam, and Cambodia**, allowing us to combine craftsmanship, technological innovation, and large-scale production.

We produce and deliver **more than 10 million units per year**, offering OEM and ODM solutions tailored to each customer.

Product design and development: Assistance with design, material selection, and pattern optimization.

Material sourcing: Access to local and international suppliers of leather, fabrics, vegan alternatives, and recycled/organic materials.

Manufacturing: Lean manufacturing methods to ensure efficiency and quality.

Logistics: Door-to-door solutions with complete transparency and accountability.

CLIENTS AND MARKETS

We serve leading brands in Europe, Asia, and America, offering tailored solutions across men, women, and kids categories.
